Training Today, Leading Tomorrow

Emerging leaders of today will guide the REALTOR® organization into tomorrow! Going into its 15th year, GAR will continue the tradition of training 20 individuals who will be selected from scores of applicants for leadership opportunities in the REALTOR® organization and beyond.

Candidates who may best serve as a local or state leader in the future are selected based on their track record of volunteer performance for their local board and/or civic organizations, and their personal integrity.

GAR invites you to complete and submit the application contained in this brochure for your chance to be a part of the next generation of REALTOR® leaders.
