

GACS

Georgia Accredited Commercial Specialist Your Commercial Launchpad

The Georgia Accredited Commercial Specialist is a deliberate launchpad designed to propel you from commercial curiosity to commercial competence. We bridge the knowledge gap between residential practice and commercial proficiency, giving you the foundational skills you need to confidently enter the commercial arena.

Why GACS?

- ◆ 6 expert-led modules covering lease structures, valuation, taxation, and deal management.
Requires 6 transactions or \$3M in volume – so the designation means you've done the work.
- ◆ GACS prepares you for CCIM, SIOR, ALC, and CPM – giving you a credential while you advance.
