DEFINITIONS AND GENERAL PROVISIONS

PRESIDENTIAL ADVISORY GROUP (PAG) – A PAG is a group of Members, Staff, or other Association stakeholders that are appointed by the President to advise the President on a specific issue or topic. A PAG can be an effective way to approach an issue that may span multiple committees or functional areas of the Association. A PAG reports its findings and recommendations, if any, directly to the association President. The President has complete discretion over the PAG, its responsibilities, and its findings or recommendations. Upon completion of the PAG work a report shall be submitted to the Administrations and Operations Committee for review prior to being presented to the Executive Committee by the President.

TASK FORCE – A Task Force is appointed by the President and approved by the Executive Committee to fulfill a specific short-term task or goal and should be disbanded once its mission is accomplished. A task force reports their findings and/or recommendations, if any, to the Executive Committee. A Task Force shall limit its scope to the task or goal defined by the Executive Committee. The Executive Committee is the only Committee that may authorize a Task Force.

COMMITTEE and FORUMS – Committees and Forums are standing governance units defined in our Bylaws and/or in our Policies and Procedures Manual under authority established by the Board of Directors. Creation of additional Committees and Forums are subject to approval of the Board of Directors. Committees may **recommend** action(s) affecting other Committees or functional areas within the Association to the committee or entity providing oversight of the committee or functional area as authorized by the Policies and Procedures for review and consideration at the next meeting of the committee. A motion to accept, amend, or defeat the recommendation shall be included in the committee minutes.

- Members shall not serve on more than three (3) Committees, Forums, and Councils per year unless serving in an Ex-Officio capacity as defined in the GAR Policies and Procedures, except for Presidential Advisory Groups (PAG) and Task Forces.

(adopted 2023.09.08)

SUBCOMMITTEE (A.K.A. Ad Hoc Committee, Work Group, Focus Group) – A subcommittee is appointed by the Committee Chair from Members of the larger Committee and has a specific purpose or task to research and accomplish. Their findings and/or recommendations are reported to the full Committee. The subcommittee shall be disbanded once its mission is accomplished. A subcommittee only operates within the scope of the broader Committee's purpose, duties, and responsibilities. A subcommittee that needs to continue beyond the term of the chair will need to be re-appointed by the subsequent chair.

SCOPE AND PURPOSE OF COMMITTEES AND FORUMS – shall confine its activities to its specific purpose(s) as defined in the Policies and Procedures as outlined in the purpose and duties & responsibilities. Each Committee/Forum and position in the Association is a vital part of a system of interconnected defined roles all working together to implement and achieve the Vision of the Association. It is inherently important that the overall roles of the interconnection of committees, forums, offices, positions, and staff work well in concert to achieve the goals and vision of the Association. The overall purpose of each Committee and Forum shall be in support of the Strategic Plan of the Association.

COMMITTEE REPORTING – Each Committee Chair and/or Vice Chair shall report Committee activities and actions of said committee to the entity or Officer as specified in the Policies and Procedures Manual.

COMMITTEE DRAFT SESSION – Each fall, incoming Committee Chairs and Vice Chairs with oversight of a committee that participates in selecting committee members for recommendation to the incoming President shall participate in a Committee Member selection process in collaboration with the Committee's Staff liaisons. Preliminary rosters shall be completed and submitted to the Senior Director of Leadership Services and Governance no later than September 30. (amended 2023.01.13)

LEADERSHIP SUMMIT – Each Committee Chair and Vice Chair shall attend the annual Leadership Summit hosted by the incoming President held between the close of the NAR Annual BOD meeting and December 20. (amended 2023.01.13)

EX-OFFICIO – An ex-officio member is a member who holds a position on a Committee, Council, or Forum as a result of their current position or status. An ex-officio member regardless of their position in GAR may make motions, speak in debate, vote, etc. When policy states that an ex-officio member does not have the right to vote, the ex-officio member will still have a right to speak in debate. When ex-officio members with the right to vote attend a meeting, they will be counted towards determining whether a quorum is met. (adopted 2023.01.13; amended 2025.09.05)

STAFF LIASON – The Staff Liaison is assigned by the CEO and serves as an advocate, advisor, administrator, and resource to enable each Committee, Forum, Task Force, and/or PAG to fulfill its charge and accomplish its goals within its stated scope, purpose, and budget and in accordance with the GAR Vision, Core Values, and the Strategic Plan.

CONTRIBUTING MEMBER – Shall be an individual, non-voting member, whose contribution to a committee is through review and comment.

VACATED PRESIDENTIAL APPOINTED POSITIONS – Should a vacancy occur in a position that is filled by Presidential appointment, the President who made the original appointment shall select a replacement eligible to serve for the remainder of the position's term and forward the name to the current President for appointment unless the rules of a particular committee or position override. If the President who made the original appointment is not available, the current President shall appoint a replacement eligible to serve for the remainder of the position's term unless the rules of a particular committee or position override.

CONSENT AGENDA – The GAR Board of Directors consent agenda shall be compiled by staff and reviewed by the Administration and Operations Committee prior to distribution or printing. The consent agenda groups the routine, procedural, informational, and self-explanatory non-controversial items typically found in an agenda. These items are then presented to the board in a single motion for an up or down vote after allowing anyone to request that a specific item be moved to the full agenda for individual attention. Other items, particularly those requiring strategic thought, decision making, or action, are placed in the Board of Directors Meeting Agenda for review, consideration, and action.

The GAR Board of Directors Consent Agenda includes the following:

- Minutes of the previous Board of Directors meeting
- Committee minutes containing no action items requiring Board of Director approval that have taken place between the last Board of Directors meeting and the start of the Inaugural or Annual Conference
- Regional Director Reports
- Membership Report
- GARPAC Report
- Unaudited Profit and Loss Statements

The Consent Agenda allows the GAR Board of Directors to:

- Approve the items listed above without discussion or individual motions
- Streamline meetings to allow the focus to be on substantive issues.
- Remove individual items from the consent agenda on the request of any one member.
- Adopt by general consent without debate items not removed from the consent agenda.
- Removed items may be taken up either immediately after the consent agenda or placed later on the agenda at the discretion of the President or Chair.

FIDUCIARY DUTY – In your role as a GAR Director, Officer, or as a member of certain Committees, you have a fiduciary duty to act in the best interests of GAR. Your fiduciary duties of care, loyalty, and obedience as defined by corporate law are owed to GAR, not to any local REALTOR® association or Institute, Society or Council that may have selected you to serve in your position as Director or other role at GAR. As a Director or while participating in your role or position at GAR, you are required to act in the best interests of GAR, rather than in the interests of yourself or another person or entity.

CONFIDENTIALITY – Unless there are exceptional reasons for confidentiality, meetings of the Association are open to any member. Each Committee description will state whether it is an open or closed meeting. Some committees may need to establish some level of confidentiality of a particular topic or issue and will expect the committee members and guests to abide by the level of confidentiality requested. Confidentiality is the preservation of privileged information. By necessity there will be times that personal and private information is disclosed in a particular meeting. Part of what you learn is necessary to provide services to the Member(s) of the Association or the Association as a whole. GAR expects you to respect the privacy of Members, Vendors, and Staff and to maintain their personal and/or financial information as confidential. Confidentiality of legislative advocacy negotiation may also be required on a case by case basis. General information, policy statements or statistical material that is not identified with any individual, Member, vendor, or staff is not classified as confidential. GAR is an organization that is transparent to its Members, but there will be instances that in terms of law, ethical, moral, or negotiation position that confidentiality is required and will be expected by those with privileged information. **Please refer to page 12 of these Policies and Procedures to view a copy of the GAR Confidentiality and Non-Disclosure Agreement.**

GOVERNANCE CHANGE (adopted 2023.09.08) – Any addition or deletion to policy content, a change that affects how the policy is administered or interpreted, or adoption of new rules/regulations. This includes policy amendments originating from any committee, work group, or task force as noted in the official minutes.

- Authority: All requests for Governance Changes must be submitted to the Bylaws, Policies & Procedures Review Committee, and approved by, the Board of Directors. (Per the Bylaws, ALL Bylaws changes require a 30-day notice to the Board of Directors before action may be taken). (amended 2024.09.13)

A. POLICY

This conflict of interest policy is written to assist directors, officers, committee members, guests in attendance and employees of the Georgia Association of REALTORS® (GAR) in identifying actual and potential conflicts of interest involving a Contract or Transaction with GAR; and to provide GAR with a procedure where the Contract or Transaction can be treated as lawful and binding even though a director, officer, committee member or employee has, or may have, a conflict of interest with respect to the Contract or Transaction. In the event there is any inconsistency between state law and the requirements and procedures prescribed herein, state law shall control.

1. DEFINITIONS:

Contract or Transaction: shall mean any agreement or relationship involving the sale or purchase of goods, services, or rights of any kind, the providing or receipt of a loan or grant, the establishment of any other type of pecuniary relationship, or review of a charitable organization by GAR. The making of a gift to GAR is not a Contract or Transaction.
- d. Family Member: shall, with respect to a Responsible Person, mean a spouse, domestic partner, an individual sharing the same home, parent, child, or spouse of a child, brother, sister, or spouse of a brother or sister, grandchild or grandparent of a Responsible Person or the trust or estate of any of the above parties.

POLICY REGARDING INVITATIONAL EVENTS

Each year the Democratic Party of Georgia and the Georgia Republican Party host fundraisers and recognize their respective elected officials at the state and national levels. Similar events may occur throughout the year. Often there is also a VIP reception/photo opportunity preceding each event.

For many years, the RPAC Trustees have approved funding for these functions and have authorized the RPAC Chair to have discretion over the list of invitees. Because of the limited number of seats and the fact that the expenditure of funds is specifically for the purpose of affording key GAR members and staff the opportunity to obtain a high level of exposure to elected officials, spouses are not invited.

The Government Affairs Staff is directed to obtain the list of invitees to the respective functions from the RPAC Chair and to issue the invitations. The Government Affairs Staff is also directed to ensure all seats are filled. In the event of cancellations, additional GAR members should be invited.

The RPAC Trustees have adopted the following protocols:

For political events allowing participation by GAR members, invitations shall be extended to the following individuals:

5. Vice Chair, REALTORS® Political Action Committee
6. GAR Vice President of Governmental Affairs
7. GAR President-Elect
8. RPAC District Trustees *[For any remaining spaces, invitations shall be extended to all of the Trustees; responses will be taken on a first-come, first-served basis.]*
9. GAR Chief Executive Officer

If seats are still available, invitations shall be offered as follows until all spaces have been filled:

10. Chair, State & Local Government Affairs Committee

14. RPAC Alternate Trustees
15. State & Local Government Affairs Committee Members (voting)
16. RIAC Trustees
17. RPIC Committee Members

When additional VIP activities are provided, the RPAC Chair shall automatically invite the GAR President. The RPAC Chair shall then use his/her discretion to fill any remaining positions.

If one Grievance Panel dismisses the complaint, the complainant may appeal the dismissal within twenty (20) days from the receipt of the dismissal notice. If a Grievance Panel deletes an Article from the ethics complaint, the complainant may also appeal. A different Grievance Panel will be appointed as outlined in the Statewide Professional Standards Enforcement Agreement and shall consider only the information and documents considered by the first Grievance Panel with the appeal and render its decision, which shall be final. (amended 2023.01.13) The parties are not present at the meeting at which the appeal is considered.

Part Four – The Ethics Hearing

Section 20. Initiating an Ethics Hearing

- (c) ¶2 – The President or their designee may appoint an Appeal Panel as outlined in the Statewide Professional Standards Enforcement Agreement, which shall act on behalf of the Board of Directors. (amended 2023.01.13) The decision of the panel shall be final and binding and shall not be subject to further review by the Board of Directors.
- (f) Any person, whether a member or not, having reason to believe that a member is guilty of any conduct subject to disciplinary action, may file a complaint in writing with the Professional Standards Administrator, dated and signed by the complainant, stating the facts on which it is based (Form #1, Complaint, Part Nine); provided, however that the complaint must be filed within one hundred and eighty (180) days after the facts constituting the matter complained of could have been known in the exercise of reasonable diligence. (amended 2023.01.13)
- (g) Any complaint alleging a violation of the Code of Ethics by a Board/Association Member or by any other person subject to the disciplinary authority of the Board/Association, will be scheduled for review by a Grievance Panel at the next scheduled meeting.
- (h) If the Grievance Panel concludes that the complaint is vague, overly general, does not allege violations of specific Articles, or is otherwise insufficient on its face, the complaint shall be referred back to the complainant accompanied by the Grievance Panels initial conclusions. The complainant shall be free to re-file an amended complaint.
- (i) If the Grievance Panel concludes that the allegations in the complaint, if taken as true, could not support a finding that the Code of Ethics had been violated, then the complaint shall be dismissed and the complainant advised of the dismissal and of their right to appeal the dismissal.
- (j) If the Grievance Panel concludes that the complaint alleges conduct which, if taken as true, could support a possible violation of the Code of Ethics, then staff, or in the absence of staff, the Grievance Panel Chairperson will ascertain whether or not there were any prior violations of the Code of Ethics in the past three (3) years. The complaint will then be sent to the respondent together with a response form which will advise the respondent of the complaint; which will ask the respondent to affirm that they have not been found in violation of the Code of Ethics by any Board/Association within the past three (3) years; and which shall give the respondent an opportunity to waive the right to a hearing by acknowledging the conduct alleged in the complaint and by agreeing to accept discipline which will not exceed a fine in excess of \$15,000 or suspension for a period of thirty (30) days should a violation of the Code ultimately be determined.

- (k) Alternatively, the respondent has the right to a hearing pursuant to the procedures established in Part Four of the NAR Code of Ethics and Arbitration Manual.
- (l) If the respondent does not acknowledge the conduct alleged in the complaint or waive the right to a hearing or does not respond within twenty (20) days from receipt of the complaint, a hearing shall be scheduled in the manner provided for in Section 21, Ethics Hearing.
- (m) If the respondent waives the right to a hearing and acknowledges the conduct alleged in the complaint, such elections will be affirmatively indicated on the response form which shall be returned to the Professional Standards Administrator (or the Grievance Panel Chairperson in the absence of staff) within twenty (20) days from receipt of the complaint by the respondent. (amended 2023.01.13) The Professional Standards Administrator (or the Grievance Panel Chairperson in the absence of staff) will verify the respondent's assertions as to prior violations in the past three (3) years. (amended 2023.01.13) In the absence of any prior violations within the past three (3) year period, the complaint will be referred to a panel of the Professional Standards members for consideration within thirty (30) days. The panel shall be appointed pursuant to the procedures established elsewhere in this Manual.
- (n) The Professional Standards Hearing Panel will meet in executive session. Neither the complainant nor the respondent will be present. Association staff and counsel will be present as deemed necessary by the Chairperson. The initial question to be determined by the panel will be whether the allegations in the complaint, as acknowledged and agreed to by the respondent, support a violation of one or more of the Articles of the Code of Ethics. The panel shall prepare a brief, concise decision which shall include findings of facts, conclusions and a recommendation for discipline if a violation is found. Discipline that may be imposed, if a violation is determined, may only include one or more of the following: letter of warning or reprimand, mandatory attendance at a relevant educational program, probation, suspension for thirty (30) days, or a fine not in excess of \$15,000.
- (o) The decision of the panel will be filed with the Professional Standards Administrator within ten (10) days after the panel's decision is final. Appeals of decisions shall be pursuant to Section 23, Action of the Board of Directors of this manual as modified by these Policies and Procedures. (amended 2023.01.13)
- (p) The expedited Code enforcement procedures established in the Code of Ethics and Arbitration Manual are available only to REALTORS® holding primary or secondary membership in the Board/Association enforcing the Code or other membership duties and are not available to REALTORS® who become subject to the Code of Ethics or other membership duties pursuant to their participation in or access to MLS under Board of Choice.
- (q) Where an ethics complaint names more than one respondent, the expedited Code enforcement procedures are available only when all respondents are eligible and all respondents elect to utilize these procedures.

Section 21. Ethics Hearing

- (e) Complainants may withdraw their complaints at any time prior to the start of an ethics hearing. If a complaint is withdrawn by the complainant after the Grievance Panel determines the complaint requires a hearing, the complaint and response will be referred back to a different Grievance Panel to determine whether a potential violation of the public trust may have occurred. Only where the Grievance Panel determines a potential violation of the public trust may have occurred may the Grievance Panel proceed as the complainant. A complaint so withdrawn shall not be deemed a final determination on the merits.

The complaint, and response, if any, shall be provided to Hearing Panel members at the location where the Hearing will take place. All paperwork provided at the Hearing will be left with the Professional Standards Administrator.

Section 22. Decision of Hearing Panels

- (a) Names of the parties will not be included when presenting the Hearing Panel's decision to the Executive Committee or Tribunal of Executive Committee consisting of at least 5 members for review.

Section 23. Action of the Executive Committee

- (b) If no appeal is filed, the Executive Committee or Tribunal consisting of at least five (5) members of the Executive Committee will adopt the Hearing Panel's recommendation and issue its order accordingly, unless:
 - (1) the Executive Committee or Tribunal, if concerned with a possible procedural deficiency, may refer the decision back to the Professional Standards Committee for a new hearing and recommendation by a different Hearing Panel; or
 - (2) if the Executive Committee or Tribunal members are concerned with the appropriateness of the recommendation of sanction, the Committee or Tribunal may impose alternative discipline that does not exceed that recommended by the Hearing Panel, or may refer the decision back to the original Hearing Panel for further consideration and recommendation accompanied by the Executives' concerns regarding the proposed discipline; or
 - (3) if the Executive Committee or Tribunal conclude the findings of fact do not support a violation of one or more Articles of the Code of Ethics, in which case the complaint will be dismissed in part or total.
- (c) All appeals must be in writing and must be accompanied by a deposit in the sum of \$250.00.
- (m) Appeals will be heard by a panel as outlined in the Statewide Professional Standards Enforcement Agreement. The decision of the appeal panel shall be final and binding and shall not be subject to further review by the Executive Committee.
- (n) If the respondent is found in violation of the Code of Ethics a second time within three (3) years, the respondents name, the fact that the respondent has been found in violations of the Code of Ethics, the Article(s) violated, and the discipline imposed will be not be published.

Section 24. Initial Action by Executive Committee

¶3 Upon determination that the member has refused to arbitrate a properly arbitrable matter, the Executive Committee may direct the implementation of appropriate sanction and should, if it has reason to believe that the imposition of sanction will become the basis of litigation and a claim for damages consequent to such sanction, delay the effective date of implementing the sanction to a date following receipt by the Board/Association of a judicial decision in a petition for declaratory relief filed by the Board/Association to confirm the propriety of its action. On the other hand, if the complaint against the member is that, having properly submitted a dispute to arbitration, the member has refused to abide by the award, such refusal should not be referred to the Grievance Panel as a violation of the Code of Ethics unless it reflects an established pattern or practice of noncompliance with the commitment to arbitrate. A refusal to abide by an award in arbitration should be enforced in the manner set forth in Part Ten, Sanction 56, Enforcement.

- (1) The Professional Standards Administrator will advise all parties of their mediation obligations and options to participate in mediation prior to review of the arbitration request by the Grievance Panel. At this stage, Mediation is voluntary.
- (2) If the parties agree to participate in Mediation, the matter will be referred to the Mediation Officer, who will arrange a mutually convenient time and location for mediation.
- (3) If the Mediation is unsuccessful, or if either of the parties wishes to discontinue the mediation process for any reason, then mediation will be terminated and the request for arbitration will be referred to the Grievance Panel for review.
- (4) If either party requests that mediation be deferred until after the arbitration request can be reviewed by the Grievance Panel, the arbitration request will be referred to the Grievance Panel for that Panel's determination whether (a) an arbitrable issue exists, and (b) whether arbitration would be voluntary or mandatory

Where any party initially declines to mediate pending the Grievance Panel's review of the arbitration request, and the Grievance Panel finds there to be an arbitrable issue with mandatory arbitration, then the parties shall in all instances be required to attempt mediation with a GAR Mediator prior to going before the Professional Standards Panel for an arbitration hearing. **(amended 2023.01.13)** Parties who attempt mediation prior to the Grievance Panel's review shall not be required to go through mediation again after the Grievance Panel's review.

Section 49. Initial Action by Executive Committee

If the complainant alleges that a member has improperly refused to submit a dispute to arbitration, the complaint shall not be referred to the Grievance Panel or a Hearing Panel, but shall be brought before the Executive Committee or Tribunal at the next regular meeting or at a special meeting called by the President for that purpose. The procedures for notices, time of notice, and hearing prescribed for matters before a Hearing Panel shall apply. The sole question of fact for the Executive Committee or Tribunal to decide will be whether the respondent has failed to submit an arbitrable matter to arbitration in violation of Article 17.

Section 50. Preliminary Judicial Determination Prior to Imposition of Discipline

If the Executive Committee has reason to believe that the imposition of a proposed sanction will become the basis of litigation and a claim for damages, it may specify that the discipline shall become effective upon entry of the final judgment of a court of competent jurisdiction in a suit by the Board/Association for declaratory relief declaring that the discipline proposed violates no rights of the member.

Section 51. Arbitration Hearing

That portion which is not returned shall be retained by the Georgia Association of REALTORS® serving as the administrator of the arbitration. Section 55. Request for Procedural (Arbitration)

SOCIAL MEDIA BEST PRACTICES

Georgia REALTORS® (GAR) values social media. Its proper use creates awareness of our purpose and mission. It is also a great communication and marketing tool. As a GAR leader*, what you share on the Internet is (or may be interpreted to be) representative of GAR and, in any event, must be approached with caution.

The written word is easily misunderstood and misinterpreted, especially in a leadership position as you are held to a higher standard by others. GAR also respects your right to interact and communicate about non-association related matters using the Internet. In order to protect GAR from the posting of comments and information that may have a harmful effect on its reputation and/or its employees, the following best practices have been developed.

For the purpose of this document, “engaging in social media” means posting or uploading content to any type of interactive electronic communication including but not limited to websites, blogs, social networks, discussion boards, and listservs.

- You assume any and all risks associated with engaging in social media.
- Before engaging in social media, know GAR’s position on issues. Be sure it is clear that your opinion and views expressed are yours alone and that any statements, opinions and beliefs do not necessarily reflect the views of the Association.
- When engaging in social media, be vigilant to ensure that you do not disclose any information that is confidential or proprietary to GAR or to any third party that has disclosed information to us. This includes but is not limited to the use of Association trademarks and copyrighted material.
- Use caution when posting photos of leadership, staff and members from REALTOR® events.
- Since the Internet is public space, you must refrain from engaging in social media that may disparage or harm the image or reputation of GAR or any of its employees.
- When engaging in social media, do not expect your comments to be private. Even comments posted in private groups can easily be shared publicly.
- When it comes to political advocacy and candidate campaigns, represent and conduct yourself online as a member of the Georgia REALTOR® Party, which supports real property rights regardless of political affiliation.
- RPAC investments should not be solicited in any online public forum.
- Do not share or publicly post any decisions that are confidential. This includes board matters, personnel, staffing, professional standards decisions, and financial information.

WHISTLEBLOWER POLICY

The Association requires that its operations be managed professionally, honestly, and in accordance with sound practices and the requirements of its Bylaws, Policies and Procedures.

The purpose of this policy is a key defense against fraud occurring in an organization is the availability of a means for constituents to report suspected wrongdoing. (amended 2025.02.21)

Federal law prohibits retaliation against whistleblowing with respect to a violation of a federal law or regulation, to include: Forgery or alteration of documents; unauthorized alteration or manipulation of computer files; fraudulent financial reporting; pursuit of a benefit or advantage in violation with the GAR conflict of interest policy; misappropriation or misuse of GAR resources, such as funds, supplies, or other assets; authorizing or receiving compensation for goods not received or services not performed; authorizing or receiving compensation for hours not worked.

Any director, officer or member who suspects that the policy is being violated, or suspects other irregularities or wrongdoing, shall immediately report the same to the CEO and/or the Association President. If the member is uncomfortable raising these issues with either of these persons for any reason whatsoever, the member shall report the same to any member of the Administration & Operations Committee. (amended 2025.02.21)

The Whistleblower Policy is intended to encourage and enable directors, volunteers, and members to raise concerns within GAR for investigation and appropriate action. With this goal in mind, no director, officer or member who, in good faith, reports a concern shall be subject to retaliation. Moreover, a volunteer who retaliates against someone who has reported a concern in good faith is subject to discipline up to and including dismissal from the volunteer position.

GEORGIA ASSOCIATION OF REALTORS®, INC.

MEDIATION PROCEDURES

1. Types of Disputes Mediated

Mediation is made available by the Georgia Association of REALTORS® (GAR) as a way to expedite the settlement of disputes in accordance with the following policies.

- a. GAR will mediate any disputes which are arbitrable (either mandatory or voluntary) in accordance with the NAR Code of Ethics and Arbitration Manual or for alleged ethics violations.
- b. Complaints brought by other REALTORS® or members of the public and naming REALTORS® as respondents may be mediated.
- c. Complaints initiated upon the motion of the Grievance Panel or initiated by the Grievance Panel upon the direction of the Board of Directors may not be mediated.
- d. Complaints alleging a violation of the public trust may not be mediated. (Public trust as defined in the NAR Bylaws, Article IV, Section 2: The "public trust", as used in this context, refers to demonstrated misappropriation of client or customer funds or property, discrimination against the protected classes under the Code of Ethics, or fraud). (amended 2023.01.13)

2. Appointments

The Chair and Vice Chair of Professional Standards and the Professional Standards Administrator will attempt to approve at least one mediator per Region. (amended 2023.01.13)

- It is preferred that mediators have served on the Grievance Committee/Panel and/or Professional Standards Committee on a local or state level and have served on at least one hearing panel, but it is not required.

4. Selection

If members are interested in serving as Mediators, they must complete the Mediator Application. The applications will be reviewed and approved by a Panel composed of the Chair and Vice Chair of Professional Standards Committee and the Professional Standards Administrator. (amended 2023.01.13)

5. Mediation Procedures

- As specified in the arbitration procedures elsewhere in the NAR Code of Ethic and Arbitration Manual, upon receipt of a request for arbitration:
 - The Professional Standards Administrator will advise all parties of their mediation obligations and options to participate in mediation prior to review of the arbitration request by the Grievance Panel. At this stage, Mediation is voluntary.
 - If the parties agree to participate in Mediation, the matter will be referred to the Mediation Officer, who will arrange a mutually convenient time and location for mediation.
 - If the Mediation is unsuccessful, or if either of the parties wishes to discontinue the mediation process for any reason, then mediation will be terminated and the request for arbitration will be referred to the Grievance Panel for review.
 - If either party requests that mediation be deferred until after the arbitration request can be reviewed by the Grievance Panel, the arbitration request will be referred to the Grievance Panel for that Panel's determination whether (a) an arbitrable issue exists, and (b) whether arbitration would be voluntary or mandatory
 - Where any party initially declines to mediate pending the Grievance Panel's review of the arbitration request, and the Grievance Panel finds there to be an arbitrable issue with mandatory arbitration, then the parties shall in all instances be required to attempt mediation with a GAR Mediator prior to going before the Professional Standards Panel for an arbitration hearing. (amended 2023.01.13) Parties who attempt mediation prior to the Grievance Panel's review shall not be required to go through mediation again after the Grievance Panel's review.
- Parties will receive the name of the GAR mediator for their dispute prior to the mediation. If there is a conflict with any party and the mediator, another GAR mediator will be selected. (amended 2023.01.13)
- The Professional Standards Administrator shall contact all parties to arrange time, method of meeting, and will send written confirmation of the arrangements by email no later than ten (10) days prior to the scheduled mediation. (amended 2023.01.13) The mediation may proceed sooner with the agreement of the Mediation Officer and all parties.
- If parties resolve the dispute through mediation, the Mediation Officer shall furnish to each party a copy of the agreement including signatures of all parties and forward the original to the GAR Professional Standards Administrator. The original signed Mediation Resolution Agreement will be kept in the parties' files in accordance with the terms of the agreement or in accordance with GAR policies.

- Resolutions of mediated disputes may include but are not limited to payment of disputed funds, repairs or restoration of property, written or oral apology, or acknowledgement of a violation of the Code of Ethics. In cases where a REALTOR® acknowledges that the Code has been violated, the admission may be sufficient to resolve the matter or, alternatively, the parties may agree that discipline should be imposed. The discipline may, at the agreement of all parties, include any of the forms of discipline established in the NAR Code of Ethics and Arbitration Manual and may also include payment of monies to the complainant or to a third party. Also, the parties may agree that the complainant will withdraw a complaint in return for the respondent's action of acknowledgement. Any discipline imposed must be agreed to by all of the parties.
- If the mediation does not successfully resolve the dispute, the Mediation Officer will advise the GAR Professional Standards Administrator that the Mediation has been terminated without resolution.
- Mediators cannot refer concerns or complaints they have regarding the conduct of any party to mediation to the Grievance Panel, to the state real estate licensing authority, or to any other regulatory body. Mediators are, however, authorized to refer concerns that the public trust (see 1 d, above) may have been violated to the Grievance Panel.
- Failure or refusal of a respondent to comply with the terms of any mutually agreed upon resolution shall entitle the complaining party of an Ethics complaint to resubmit the original complaint. The time the matter was originally filed shall be considered the filing date for purposes of determining whether a complaint is filed in a timely manner.
- In the event either of the parties later fails to abide by the terms of the settlement, the matter may not be arbitrated; instead, the other party should be encouraged to have the settlement agreement judicially enforced by a court of competent jurisdiction.

6. Mediation Policy Issues

- Attorneys – Parties do not need to be represented by attorneys in mediation because the process is non-adversarial and does not involve findings of fact or law. If one party intends to have an attorney present, all other parties to the mediation should be notified in advance of the session. If a party appears at the mediation with legal counsel and has not notified the other side, the unrepresented party has the option of rescheduling the mediation to a future date when their own counsel may be present.
- Witnesses – Since the mediation is not a fact-finding conference, witnesses are rarely helpful or necessary. In rare circumstances, a witness may be able to clarify a misunderstanding and should be invited to attend all or part of the mediation.
- Documentation – The parties do not need to prepare exhibits or provide extensive documentation during mediation. If a document would clarify an issue, it may be used at the mediation. Parties should be reminded however that the mediation is not a fact-finding conference and the focus shall be on settlement of the dispute.

- Cancellations/Rescheduling – Mediation may be rescheduled provided all parties and the mediation officer agree. If a party fails to appear at a scheduled mediation, the mediation shall not be rescheduled, absent the consent of all parties and the mediation officer or extenuating circumstances.
- Multiple Sessions – All parties and the mediation officer should attempt to resolve the dispute in a single session. Further sessions shall be scheduled only if all parties and the mediation officer agree that it is appropriate. The mediation officer may, at his/her discretion, follow up with a telephone call.

7. Role and Obligations of the Mediation Officer

- Confidentiality – The entire mediation process and all statements, communications, discussions and documents exchanged or generated in connection with any Mediation shall be confidential. Mediators will not be asked to participate in any hearings and/or court proceedings.
- The mediation officer's role is to facilitate communication, enhance the parties' ability to satisfy their own and each others' needs, and help the parties understand the alternatives to settlement.
- Mediation officers are encouraged to use a facilitative/problem-solving approach that respects the concept of party self-determination.
- Mediation officers may not impose a solution upon parties. Mediation officers may, with consent of the parties, offer settlement proposals or evaluations of likely outcomes at arbitration where appropriate.
- A person shall automatically be disqualified as a mediation officer in any case in which the person is: related by blood or marriage to either complainant or respondent; an employer, partner, employee, or in any way associated in business with either complainant or respondent; a party to the hearing, or a party or a witness in any other pending case involving a party to this hearing.
- Abide by confidentiality provisions, including not appearing or participating in subsequent hearings and/or court proceedings involving the parties.
- Complete paperwork in a timely manner.

8. Writing the Agreement

All mediated agreements must be reduced to written form before terminating the mediation session. A Mediation Resolution Agreement will be provided. The written agreement should:

- Be written in language approved by all parties
- Include specifics (who, what, what, how much)
- Be written in simple, clear and familiar language
- Focus on positive action (avoid blame and reasons)

9. Ethical Issues

- A mediation officer shall not mediate if he or she is not impartial towards the parties in an assigned claim. A mediation officer shall disclose any real or potential conflicts of interest to all parties. If any party objects to the mediation officer continuing, the mediation shall be postponed and another mediation officer shall be assigned.
- Weapons - including guns and knives, may not be brought into an in-person mediation by any participant even if carrying such weapons is permissible under the law. (amended 2023.01.13)
- Report Harm – In instances where, in the opinion of the mediation officer, there is an unacceptable risk posed to the safety of any participant, the mediation will be recessed so the mediation officer may consult with staff, board or association elected leadership, or board counsel to take steps to ensure the safety of all participants in the mediation or dispute. The Executive Committee may, at their discretion, consult with and share necessary information with appropriate law enforcement or other government agencies. The mediation officer shall advise the parties regarding this limitation to confidentiality in the opening statement.
- Bad Faith – There is a presumption of good faith at mediation unless a party demonstrates otherwise. The mediation officer shall terminate the mediation if either acts in bad faith, including:
 - Falsifying/withholding information central to the mediation
 - Using the mediation process merely to gain an advantage in further proceedingsBad faith does not include failing to reach an agreement or to compromise further than a party believes appropriate.
