

STOP unsolicited credit offers after pre-approval!

Lenders or insurers can ask credit reporting companies (Equifax, Experian, Innovis, and TransUnion) for a list of names and contact information of individuals who meet specific credit requirements that the companies have on file.

This is why you may be receiving more credit offers after getting approved for a mortgage.

If you would like to opt out of these solicitations, you can visit **OptOutPrescreen.com** or call **1-888-5-OPTOUT (1-888-567-8688)**.
